WELCOME TO YMCA OF GREATER LOUISVILLE'S OVERNIGHT CAMP!

We are thrilled to welcome you to Summer 2026 at YMCA Camp Piomingo. Our team has been hard at work designing a season that feels both comfortably familiar and excitingly new, blending treasured traditions with fresh opportunities for discovery.

This summer brings several new program experiences. Campers will have the chance to explore storytelling in a whole new way through our new camp podcast. At the new Pioneer Village, we will also introduce several new hands-on experiences such as blacksmithing, candle making, and traditional farm crafts that reflect the heritage of our region.

For our older campers, we are launching a truly unique leadership experience. We have combined our Leader in Training program with our valued partners, BOLD & GOLD and Ohio River Way, to create a two-week journey built around the theme "Breathe In, Step Up." Campers ages 15–16 will grow as leaders while preparing for and completing a four-day canoe expedition on the Ohio River. This unique experience is designed to stretch skills, build confidence, and deepen friendships.

We have several exciting physical additions around camp this year. Construction begins this spring on our new 40-foot climbing structure, The Watchtower. This versatile tower will offer interior and exterior climbing routes, a rappelling wall, and a giant swing, providing adventure for campers of all ages.

Our pool area has also received updates, including new shade structures and a refreshed giant slide. In addition, we are installing three new water fill stations throughout camp to help campers stay cool and hydrated during busy summer days.

The Dining Hall has been refreshed with contemporary updates, including a new beverage station offering up to three water-based drink options each day. We are also partnering with a local Meade County family farm to incorporate fresh, organic produce into our meals. Campers need great fuel to power great adventures, and we are committed to providing it.

We are also excited to welcome two outstanding new full time team members. Maggie Tyner, our new Program Director, joins us from her childhood camp, Camp Wood YMCA in Kansas. Zach Johnson, our new Hospitality and Camp Experience Director, comes to us from YMCA Camp Chandler in Alabama. Both are eager to meet your family and help create an exceptional camp experience this summer.

Finally, thank you for the continued trust and support you place in our mission. Through our Tiered Pricing model and our Camp Without Zip Codes initiative, we are working to make camp accessible to every child. If you feel called to do so, we invite you to consider making a meaningful gift to help open the door of camp to even more families.

We cannot wait to hear laughter echo through the hills and valleys and see campers exploring the woods and the river once again. If you have any questions or would like to schedule a tour, please do not hesitate to reach out.

We look forward to welcoming you and your family to YMCA Camp Piomingo for Summer 2026!

OUR STAFF

OUR STAFF

Summer staff are recruited from previous campers and staff, local and national colleges and universities, and staff contacts. We also have staff joining us from all over the world this year through international staffing programs and YMCA International Partnerships. Our staff are at least 17 years old, must complete an application and interview, and pass a criminal record check. YMCA Camp Piomingo staff receive First Aid/CPR certifications, trainings on risk-management, social and skill development, community building, assisting campers with homesickness, and much more during a mandatory week-long training. Staff may also undergo a second week of training to become lifeguard or ropes course certified. Staff-to-camper ratio is in accordance with standards set by the American Camping Association.

Youth Development – Children need caring adults to provide support, guidance, and encouragement as they grow. All children deserve the opportunity to discover who they are and what they can achieve.

Healthy Living – Wellness in spirit, mind, and body strengthens our very being and enhances our interactions with others.

Social Responsibility – We truly are in this together and together we can harness our individual strengths and bring about positive change around us. The Y is dedicated to building healthy, confident, secure, and connected children, families, and communities.

ABOUT YMCA CAMP PIOMINGO

YMCA CAMP PIOMINGO PROGRAM PHILOSOPHY

Since 1938, YMCA Camp Piomingo has been providing inspiring, engaging and educational co-ed camp programs for children ages 5-17. Camp uses a variety of activities to instill core values and life lessons in our future leaders. Through these activities, campers learn the YMCA's core values of caring, honesty, respect, and responsibility. Camp also enables growth in character, confidence, and courage. Leadership development is also a core component of camp, designed to prepare teens for future counselor positions. All planning and preparation for summer 2026 is focused on what we learned and how we were successful in maintaining health and safety during the summer of 2025.

AMERICAN CAMP ASSOCIATION (ACA) ACCREDITED

ACA Accreditation means we follow the health, safety, and program standards put in place by the American Camp Association. ACA collaborates with experts from the American Academy of Pediatrics, The American Red Cross, and other youth service agencies to assure that camp practices reflect up-to-date research-based standards in camp operation.

CAMPER PAPERWORK

The following must be completed and submitted before your camper's arrival. Forms need to be completed online or over the phone with a Piomingo staff member.

Registration – All campers should be registered via CampMinder, our online registration system, or by calling the camp office.

Camper Forms – Can be found by logging into your Camp In Touch account and include: Health History, Bunk Requests, Camper Application (for editing), Additional Options, and Camper Photo upload.

Final Payments – All final camp fees are due by June 1. If a family registers for camp after June 1, payment in-full will be due at time of registration.

PREPARING FOR CAMP

HOMESICKNESS

Going to an overnight camp is a big growth opportunity for both the parent and the child.

For a child, independence is a thrilling experience combined with the opportunity to make new friends and learn many new outdoor skills. It can also be one of their biggest challenges. Frequently, excitement can turn into anxiety. Apprehension and homesickness are perfectly normal feelings.

Our staff are trained in working with campers experiencing homesickness. However, each camper's case is unique. There may be times we need to call you regarding (you are the expert on your camper, after all) to develop a plan of action that best suits the individual.

Please note that if a camper is picked up due to homesickness, a refund will be at the discretion of the administrative team.

For more information on homesickness and taking steps to prevent it, please **SCAN HERE** for this article from the American Camping Association:

CHANGES AND CANCELLATIONS

A deposit is required with all registrations and is non-refundable. The final balance is due by June 1. Camp sessions may be moved to a different session based on availability.

Refund requests must be submitted in writing or by calling the office prior to June 1. Requests may be made by phone at 502.942.2616 or by emailing piomingo@ymcacamppiomingo.org.

Deposits remain non-refundable in all cases. Refund considerations may be submitted but are not guaranteed.

BEHAVIOR EXPECTATIONS & CONCERNS

At YMCA Camp Piomingo, we are committed to creating a safe and inclusive environment where campers can learn, grow, and have fun. Our approach to behavior management is rooted in restorative practices, emphasizing communication, understanding, and positive reinforcement.

We believe in working collaboratively with campers to address any behavioral challenges, and we appreciate the partnership with parents when challenges and behaviors arise. Our staff are trained to work with campers on a variety of behaviors – they take great measures to identify underlying causes of conflict and help campers restore or rebuild relationships.

Campers must meet the eligibility criteria and display behavior that is aligned with our values of Caring, Honesty, Respect, and Responsibility as described in their orientation and cabin contracts. As such, bullying is not tolerable at YMCA Camp Piomingo.

In the event of bullying, our trained staff will employ a restorative approach, focusing on repairing harm and fostering understanding. This involves open communication between parties involved, facilitated discussions, and promoting empathy. Our goal is to ensure a safe and supportive atmosphere for all campers, where everyone feels valued and respected. We honor each camper's individual experience at camp, and if they are being negatively impacted by another camper, that camper may be asked to leave if our approach is not effective.

If a camper is dismissed, parents are responsible for transportation, and no refunds will be issued.

We reserve the right to dismiss campers from the program without warning.

PREPARING FOR CAMP (continued)

CAMP RULES/ EXPECTATIONS

On opening day of each session, these general camp rules will be discussed with the campers during orientation. It is expected that all campers follow the camp rules to make sure camp is a safe and successful place for all.

- The use of appropriate language is required.
- Any act intended to hurt someone physically, mentally, or emotionally violates the safety and security of all campers and staff. Actions of this nature are not welcome and may be grounds for immediate dismissal following mediation with senior leadership.
- Please refrain from marking or drawing on camp property.
- Keep rocks where Mother Nature has placed them.
- Keep bathrooms clean and toilets flushed.
- Camp Piomingo is a litter-free environment. Please throw away all trash especially during snack time.
- Cabins should be cleaned every morning and kept ready for cabin inspection. The "Cabin of the Day" award will be given daily and comes with a special treat!
- Leave cell phones, tablets, and other electronics at home.
- Walking is the best method of transportation from one place to another. Running is allowed for activities.
- We follow the Y's four core values of **Caring, Honesty, Respect, and Responsibility.**

Families will be notified if a camper is not following camp rules and expectations. Campers who refuse to act in a manner safe for themselves, others, or camp will be dismissed from camp early and the family will be required to pick them up without refund. This is at the discretion of Camp Leadership.

PREPARING FOR CAMP (continued)

ABSENCES

We get concerned when your camper is registered, but does not show up for check-in. If you are not able to inform us prior to Sunday check-in, please call the **Camp Office** at **502.942.2616** and leave a message if your camper will be late or not able to attend. Please be specific, stating your camper's full name and the reason they will not be attending. If necessary, our office staff will return your call to confirm the details.

TELEPHONE

Campers do not have phone access during their stay at camp. Campers may not bring cell phones or have phone access during camp. If a camper brings a cell phone and it is seen by camp staff, it will be removed from the cabin, stored in the office and returned to the parent at check-out. A YMCA Camp Piomingo staff member will contact you in the event of an emergency or other situation.

In the event of an emergency, parents can call the camp office to make arrangements to speak to their camper.

SPECIAL NEEDS/REQUESTS

We want all campers to find success during their time at camp. Sometimes there may be accommodations that need to be considered to ensure campers have a rewarding experience. If your camper needs special accommodations while at camp, please contact **Alex Carpenter**, the **Senior Director of Camping**, at **502.942.2616** to schedule a "Camper Success Meeting". Accommodations may include, but are not limited to 504 plans, IEPs, neurodiversity, gender inclusivity, or mental health needs.

BEDWETTING

Bedwetting happens from time to time. Some campers suffer from chronic bedwetting and some have the occasional accident. Our goal is that this should not prevent a camper from coming to camp. Our staff is trained to handle bedwetting discreetly and personally. If your camper wets the bed please be sure to note this on their Health Form. Providing this information in advance provides the staff with information so that they can check your camper's bed occasionally during their camp stay and manage accordingly. Encourage your camper to notify the counselor if they have an accident. Campers should be instructed to ask their counselors for help, and every effort will be made to prevent accidents. Any bedding, wet or soiled due to bedwetting, will be laundered and returned discreetly to the camper before Rest Hour.

Please help us get back to the root of camping by respecting our no cell phone policy.

Parents, friends and family are encouraged to write letters to their campers to help them feel more comfortable while at camp.

It is a good idea to send letters in advance to camp so they are here on the first day!

PREPARING FOR CAMP (continued)

CARE PACKAGES, LETTERS, AND EMAIL

Parents are advised to bring letters and packages to drop-off during check-in on Sundays. We ask that all packages are brought to camp while being mindful of cabin sizes. Some campers have food allergies, **so please do not bring anything containing nuts or peanut butter.** And please do not send caffeinated beverages.

We ask that you bring all care packages during check-in. We are always trying to alleviate outside people and items being brought onto camp property throughout the week, unless completely necessary. Please limit all mailings to letters or postcards.

All letters can be sent to:

YMCA Camp Piomingo
c/o (Camper Name / Cabin #)
1950 Otter Creek Park Road
Brandenburg, KY 40108

If you wish to email your camper, please complete the one-way email form in your CampInTouch account. Emails will be printed daily and handed to your camper. Campers will not, however, be able to email you back. We will reach out to you if the camp office is having technical difficulties and we are unable to print your email.

We understand that communication with your camper is important and we appreciate your patience when it comes to organizing and delivering mail to all of our campers.

We will do our best to deliver letters and postcards the day it arrives, but depending on what time the mail is delivered, it may be given to your camper the next day

The CampInTouch address is:

piomingo.campintouch.com/MyAccount.aspx

You may also access CampInTouch
by scanning here:

CAMPMINDER/CAMPINTOUCH

Your **CampInTouch** account (powered by **CampMinder**) contains everything you need to ensure your camper is enrolled, engaged, and connected to you throughout their stay at YMCA Camp Piomingo.

Photos – Camp photos will be uploaded via CampMinder, and can be accessed via the “Photos” tab. You must have a CampMinder account in order to access these photos, but you may provide guest accounts to other family members through the “Guest Accounts” tab. Furthermore, you may now set up facial recognition with the Companion app to get notified whenever we post pictures of your camper!

Forms – Under the “Forms & Documents” tab, one can add additional options to their camper’s registration, complete bunk requests, upload a camper photo, and complete each camper’s health history form. All forms are due by June 1.

E-Mails – One-way e-mails can be sent to your camper via the “Email” tab. Those e-mails will be printed off daily and given to the appropriate camper.

Financials – Under “Financial Management” Tab, change debit/cards used, as well as make a payment towards each camper’s balance. Payments are due by June 1.

WHAT TO BRING

WHAT TO BRING (AND NOT BRING)

The following page contains a list of suggested and prohibited items to bring to a one-week camp session. Please use your own judgment regarding quantities and necessities for your camper. Please make sure to label your camper's luggage/tote/bin for easy identification. **We are asking that personal items NOT BE SHARED during their stay at YMCA Camp Piomingo.**

Clearly labeling all items with the camper's first initial and last name will help in finding lost items throughout the week. Since parents will not be allowed in the units or cabins, properly labeling items will allow staff to reunite the item with the camper.

YMCA Camp Piomingo is not responsible for lost or stolen items. However, we will do our best to connect all campers with their lost items prior to their departure.
