TIERED PRICING and MONTHLY OPTION

HOW TIERED PRICING WORKS:

At the Y, we believe every child should experience camp. Our tiered pricing lets families choose the camp fee that best fits their budget—no application required. Your choice is confidential and does not affect your camper's experience. The program, cabins, activities, and staffing are the same for every camper.

THE TIERS:

Tier A (True Cost): Reflects the full, actual cost of camp. We kindly ask that you pay this amount IF your family has the ability to do so.

Tier B (Partially Subsidized): A reduced rate made possible by donations and the Y's annual fund.

Tier C (Most Subsidized): Our lowest listed rate, supported by community giving to keep camp accessible. Additional financial assistance may be available if needed.

One-week and two-week sessions offered June 6–July 30.
