The link to make a reservation can be found on the home page of the YMCA of Greater Louisville website.

**MEMBER NOTICE - YMCA NOW OPEN**

We look forward to welcoming back you back home to your YMCA! We have missed you so much! During our closure we have worked hard to be sure your Y is ready for you to return. Many of our new locations are now open!

We support the Mayor’s curfew that extends for Metro Louisville/Jefferson County and encourage all citizens to follow the guidelines. While facilities in Jefferson County will be staffed at the published opening times, people are encouraged to remain in place until the curfew expires. Please check the YMCA’s website daily for updates.

Please review our Reopening Guides to become familiar with what you can expect when you visit the Y.

**MAKE A RESERVATION**

Our new online reservation system is now live. At this time, we are accepting reservations for lap swim lanes. We look forward to seeing you!
Review the details on the page, and then select your branch from the list on the page.

MAKE A RESERVATION

NEW POOL RESERVATION SYSTEM NOW LIVE

The new pool reservation system is now live. We have imported all previously scheduled reservations into the new system.

The new system will require you to create an account prior to your first booking. Once you create an account, you will be able to easily see and manage your bookings online, including changes and cancellations, up to 24 hours in advance.

This reservation system is available for member convenience so you know you will have a spot reserved if you wish. Reservations are not required; however, we do encourage them as we will be limiting participation in certain areas of the Y for health and safety reasons. If you do not make a reservation, you can still utilize the service when you come to the Y as long as we are not full at that time.

All online reservations must be made at least 24 hours in advance, and can be made up to 7 days in advance.

LAP SWIM LANE RESERVATIONS

- Reservations are encouraged, but not required. If you do not make a reservation, you will still be permitted to swim laps as long as there is space available.
- We will follow state guidelines to allow for appropriate social distancing in the pool area, which may include limiting number of available lanes and number of swimmers per lane.
- Reservations are for 30 minutes and will begin promptly at your reservation time. Please make sure you arrive on time and are ready to swim when your reservation time begins.
- Reservation is valid only for the name of the person submitted on the form.
- Community-wide members are invited to check availability of lap lanes at any of our locations if you do not see your preferred time slot available at your regular branch.

MAKE A LAP SWIM LANE RESERVATION

Please select your branch from the list below to make your reservation:

- Clark County Family YMCA
- Downtown Family YMCA
- Floyd County Family YMCA
- Northeast Family YMCA
- Oldham County Family YMCA
- Republic Bank Foundation YMCA
- Southeast Family YMCA
- Southwest Family YMCA
- YMCA at Norton Commons
Once you select your branch, you will be taken to a calendar view, where you can see all reservations for the day. Use the date toggle at the top of the page to switch between dates.

**IMPORTANT** – Lap swim reservations must be made at least 1 hour in advance (up to 7 days in advance). Kids Club reservations must be made at least 1 hour in advance (up to 48 hours in advance). If you wish to make a reservation inside the minimum cutoff times, you will need to call the YMCA.
To start your booking, double click on an available time slot or use the green “Plus” sign in the bottom right hand corner.

You will be prompted to enter your email address to begin the booking process. This email address will be used to set up your account. If you already have an account set up, the system will then ask you to sign in using your password. If you do not already have an account set up, the system will create an account for you once you make your first reservation.

Once you set up your account, you will be able to see and manage all your upcoming reservations in one place.
On the booking screen, select the date and time of your desired reservation.

Then, confirm that you have selected the correct branch from the Spaces dropdown.

If you signed in to your account prior to making the booking, the First Name, Last Name, and Phone fields will be auto-populated.

If this is your first booking, you will need to enter your name and phone number.

Once you have filled out the form, hit the green “Confirm booking” button to make your reservation.

You will receive a confirmation email with reservation details. If this is your first booking, you will also receive an email to set up your account login credentials for future use.
If you need to change or cancel your booking, locate the confirmation email you received and click on the My Bookings link.

This will take you to your My Bookings screen, where you can manage any of your upcoming bookings.

You can also log in to your Skedda account, and then toggle to “List” view. From there, you will be able to see your bookings.
If you have multiple Skedda accounts (ex. 1 for Swimming and 1 for Kids Club), you can easily toggle between accounts using the double arrows found in the bottom left hand corner of your screen.

When you click on the arrows, you will see the other venues your account currently has access to (this is based off previous reservations). Each time you make a reservation at a new venue using your email address, that venue will show up in this view.
